The background of the entire page is a blue-tinted photograph. In the foreground, the silhouettes of three people are visible against a bright sky: a woman on the left, a small child in the center, and a tall man on the right. In the background, a large building with a prominent tower or steeple is visible, along with some trees and a smaller building on the right side.

# FOREWORD

IN PRESENTING  
THE 1949 BAGPIPE,  
we bring to you —  
PRESBYTERIAN JUNIOR COLLEGE  
a record of our life together.  
May these words and pictures  
serve as a guide for our  
thoughts now and in the  
future, filling our hearts  
with many happy memories.

# STUDENT GOVERNMENT

The Student Council of Presbyterian Junior College is the most responsible student organization on the campus. The main duty of the Student Council is to try all charges against a student for violation of the constitution. The student government was strengthened with a new constitution and has accomplished more this year than ever before. The Student Council is composed of seven members, consisting of the officers of the Student Body, the presidents of the Sophomore, Freshman and Preparatory Classes.

# THE 1949 BAGPIPE

In this, the 15th edition of THE BAGPIPE, we offer for your approval a brief sketch of that part of our college career just completed. We hope that we have made this book something which will be a source of pride and joy to you in the future years—some pleasant reminders of days now vividly etched on fresh memories—something which will represent all that you held near and dear during those shaping days at P. J. C.

# P. J. C. BAND — 1949

This year marks the second year that a band has functioned at Presbyterian Junior College. The band supported the football and baseball teams at the games and participated in several chapel programs during the year.

At Christmas time the band combined with the student body and young people of Maxton in an evening of caroling.

# RADIO CLUB

One of the best organized groups on the campus is the Radio Club. This club is composed of students interested in writing, producing, and management of broadcasting. The aim is to stress good radio dramatics. A full half-hour program is presented each Sunday over station WEWO, Laurinburg, North Carolina.

The most commendable improvements over the previous year were unifying the Radio Club and Dramatic Club, and permitting eligible members of Radio Club membership in the Delta Psi Omega fraternity, a dramatic honorary society.

The success of the club is accredited to the diligent supervision of Professors Leland Crawford and Claude L. Darling, II, whose guidance has been of great material aid.

# MINISTERIAL CLUB

The Ministerial Club is composed of fourteen young men, candidates for the ministry, who seek in every way possible to strengthen the Christian life of the college and community. They take part in the weekly vespers and the weekly chapel service held by the Student Christian Association. Two members served as supply pastors in churches of nearby communities.

# STUDENT CHRISTIAN ASSOCIATION

The Student Christian Association is a religious organization that serves to encourage and increase the spiritual interest on the campus. Every student automatically becomes a member when he enters the college, and effort is made to include every one in the activities. It is felt that any student who has been raised in a Christian home will be better satisfied if he were surrounded with a religious atmosphere. That is why an active program, centered around religious themes, was set up during the year.

# COMMERCIAL CLUB

The Commercial Club is perhaps the youngest organization on the campus. The club, which was initiated by Professor Edmondson, Head of the Department of Business, was formed at a meeting on October 11, 1948. The qualifications for membership in the club are that every member must be a one or two year commercial student.

The club was formed for two reasons. It hopes to promote fellowship and closer understanding and association among the commercial students. The club also plans to establish a Vocational Placement Bureau to aid in the placement of commercial students in positions for which they are qualified after graduating from P. J. C.

# GLEE CLUB

The P. J. C. Glee Club, under the direction of Mr. Pence, sang with the Scotland County Choral group this year. They presented a very inspiring program of Christmas music at the college and other institutions in this vicinity.

After Christmas, Dean Robert Reuter of the Conservatory of Music at Flora Macdonald College in Red Springs, directed the group with the assistance of the Rev. Charles E. Parrish. Dewey Jones, served as president and pianist for the Glee Club. Much emphasis was placed upon sacred music, but spirituals and classical selections were also presented.

Small groups, usually quartets, added their music to the program of some of the neighborhood churches. The entire organization consisted of approximately thirty men.

With the Year 1944 came the returning of our victorious veterans, among them those desiring a chance for higher education. A few ambitious young men found the path to an institution of spiritual inspiration and a chance to renew this quest of life.

In 1945 the club was organized showing an aspiration for vitality and life. With the background set, the Veterans Club of 1946-47 was the biggest and most powerful organization on the campus. The club of 1947-48 was organized with its able President James I. Yates as the helm and Mr. Floyd James, our Dean, as the faculty advisor. The club of 1948-49 was organized with Frank Bodiford as its president. This year is the year of trials and year of setting a standard for our democracy. As this group continues to meet and grow on our campus, may it be a symbol of fraternal love, freedom and life.

# SANDSPUR

This year, for the first time in its history, Presbyterian Junior College has a printed newspaper. Published monthly, THE SANDSPUR reports current happenings around the campus and includes feature stories, editorials, club news, sports, and many other articles of interest.

THE SANDSPUR also aims at the encouragement of school spirit through student polls and other contests. One of these was a contest for the selection of a beauty queen on Homecoming Day. The winner, and Presbyterian Junior College's first Beauty Queen, was Miss Bobbie Jean Ellis of Mullins, South Carolina.

THE SANDSPUR has progressed a great deal from the mimeographed publication of last year, and it will constantly strive to make more improvements in the future.

# THE 1949

P.J.C.'s athletic teams have completed their second year under Coach Robert Renfrow (Peanut) Doak. Coach Doak, whose home was in Raleigh, and who is a graduate of State College, came to Maxton after coaching Jayvee football at Carolina, basketball at Guilford College, and being Head Coach and Athletic Director at New Bern High School. He has also played several years of professional baseball.

Coach Doak turned out some "mighty scrappy" ball clubs this year. He was assisted in football by James H. Edmondson, a graduate of Jacksonville (Alabama) State Teachers College, and Dick Blanks of Davidson College.

"Peanut" is well-liked and highly respected by all and, to the boys on the team, he is "just one of the gang" who shows them how.

First row: Calhoun, Manager; Sellers, Ramsey, Powell, Javens, Rowe, Mangum, Williams, W. Jones, Foxworth, Steed, Baxley, Rink, Manager. Second row: Edmondson, Assistant Coach; Connally, Dwyer, Brillhart, Lassiter, Stewart, Baggette, P. Jones, Mullen, H. McLean, Stratford, Robinson, Purcell, Martin, Boovy, Doak, Head Coach. Third row: Brantley, Galt, McIntyre, Beasley, Bell, Newsome, Ussery, Brotherton, Sharpe, Huggins, Preatte, Talbirt, Rice, Toney, E. McLean, Cawthorn.

# SCOTTIES

## P.J.C. OPENS SEASON WITH BREVARD

The P.J.C. "Scotties" opened the season with a strong team from Brevard in Legion Stadium in Laurinburg on October the second. The "Blues" of Brevard won by the score of 19-6.

In the first quarter, P.J.C. opened up with a 23 yard run by "Ankie" Rowe, which was called back by a penalty for clipping from behind. Then the "Scotties" were forced to kick, and that is where Brevard took over and scored their first touchdown. Martin of Brevard took a hand off from the tailback and went around end for the touchdown. The extra point was no good and Brevard led by 6-0.

A few plays later, Wiley Steed threw a pass which was taken out of the blue by Rigging of Brevard, who took the old "pig skin" for another touchdown for Brevard. This extra point was no good either, so they led at the half by the score of 12-0.

Brevard came back in the third quarter to score again to make the score 18-0. The extra point was good, score 19-0.

In the fourth quarter P.J.C. came back with hard running by Prevatte and fine passing by Rowe. With the ball on the 12 yard line Lee Talbirt took a hand off from Javens to score for the "Scotties."

Lee tried for the extra point, but missed, so the game ended with the score, 19-6.

COACH "PEANUT" DOAK

## DAVIDSON FRESHMEN DEFEAT P.J.C.

The Davidson Freshmen handed P.J.C. their third straight defeat of the season; but the "Scotties" played hard throughout the game.

The Freshmen of Davidson scored first on a 78 yard run by Guiton. The extra point was good, so the score stood 7-0. Guiton scored again on an end run for 20 yards for the second touchdown. The half ended with Davidson leading, 14-0.

In the third period the Wildcats scored on a 20 yard pass to Cones who, standing in the end zone, caught the ball. The "Scotties" received a kick off from Davidson and drove deep into enemy territory but the big line of the Wildcats held P.J.C. for four downs. The game ended with Davidson beating P.J.C. 28-0.

Looking good for the Scotties were Rowe, Wood, Jones, McIntyre, and Powell.

### WOFFORD FROSH BEAT P.J.C.

The Scotties going into the game with injured players played a fine ball game even though they lost.

Ankie Rowe, hit high and low by two of the Wofford men, was put out of the game for about five minutes. One of the "prettiest" runs of the night was by Bill Jones. Bill took the "pig skin" on about his own

and ends. The game ended with Wofford 34, P.J.C. 0.

### POWERFUL CAMPBELL OVERRUNS P.J.C.

A strong Campbell team overran the Scotties of P.J.C. by the score of 33-0 at Buies Creek.

Campbell's first score came early in the ball game on a long drive by the Camels. Their second touchdown came soon afterwards with a 40-yard pass to their

20-yard line and carried it to Wofford's before he was brought down.

Outstanding on defense for P.J.C. was Barker who got most of the tackles around his end. Powell also looked good on defense for the Scotties.

Wofford scored most all of their touchdowns on passing. Looking good for Wofford was their tailback

left end, Deal. They scored again in the second quarter to bring the score to 19-0 at half-time.

P.J.C. came back in the third quarter and threatened the Camels with the running of D. S. Wood and the passing of Rowe, but the Campbell line was too much for the Scotties.

Campbell came back in the fourth period to score two

more touchdowns to end the game.

Those playing a fine game on the line were Javens, Robinson, Powell Jones, and Hal Sharpe. Wiley Steed had a good kicking average with 42.5 yards per try.

### "SCOTTIES" LOSE TO ASHEVILLE-BILTMORE

The "Scotties" were again defeated in the Junior Conference League by Asheville-Biltmore. The "Scotties,"

One of the most outstanding plays of the game was when Barker took a hand off from right tackle and faded to run, but threw a 40 yard pass to Powell Jones on Asheville's 20-yard line.

In the second quarter Biltmore came back to tie the score with a run by Rainwater for 25 yards and the touchdown. They came back hard and scored again

ROBINSON

however, showed improvement in their offensive plays. In the first few minutes of the game, the "Scotties" took the ball on their own 40-yard line and carried the old "pig skin" to pay dirt. It took only six plays to complete the touchdown. D. S. Wood carried the "pig skin" over from the ten-yard line for the touch-

down on a pass to Rainwater. The half ended with Asheville leading, 12-6.

Hindered by injured players in the second half, the Scotties were unable to stop the strong Asheville team. Some outstanding players of the game for the Scotties were Prevatte, Rowe, Powell, Barker, Wood and Brillhart. The game ended with Asheville-Biltmore

winning by the score of 44-6.

### "SCOTTIES" LOSE TO "CRUSADERS"

The "Scotties" lost a hard fought game to Belmont-Abbey at Belmont. The Crusaders scored first on a short punt by P.J.C. Snider of Belmont ran around left end for the touchdown. The second score for the Crusaders came in the second quarter when Snider

of the Crusaders, but this was as far as the Scotties got on foreign soil. The strong line of the Crusaders held the Scotties for four downs to regain possession of the ball.

The fourth quarter came to an end with the Crusaders scoring two more touchdowns. A pass to Lochr in the end zone and Snider's plowing over for the other. The

ROWE

USSERY

POWELL

intercepted a P.J.C. pass to go over standing up. This made the score 13-0. They also scored again in the second quarter to bring the half to an end with the Crusaders leading by the score of 20-0.

In the third quarter, the "Scotties" came back for a long drive, with Rowe's running and a pass from Barker which brought the Scotties to the 20-yard line

final score ended with Belmont Abbey 34, P.J.C. 0. Looking good in the line were Powell Jones, Javens, Foxworth, and Larry Diggs. Looking good in the back-field were Buddy Powell, Ankie Rowe and "Bobo" Newsome.

GARDNER-WEBB 14, P.J.C. 0

This was homecoming day for P.J.C. and the last

football game of the season, which I know some of the boys will never forget. Coach Doak used his two-team system against Gardner-Webb for the first time of the season; it worked rather well in that it gave some of the boys a rest. In the first quarter the P.J.C. "Scotties" held Gardner-Webb scoreless. In that period the defense line was holding down their positions to perfection.

scored their first touchdown.

The "Scotties" came back in the fourth quarter on a run by Barker. He took a hand-off from tackle, reversed his field, and went for about 20 yards. On the next play Rowe threw a pass which was intended for Jones but was intercepted by Gardner-Webb.

The outstanding player of the game for the "Scotties"

RAMSEY

P. JONES

In the second quarter Gardner-Webb faked a kick and ran around end for about 40 yards for the touchdown. The half ended with Gardner-Webb leading 7-0. Gardner-Webb came back again in the third quarter to score. They faked the same play in which they

was Hal Sharpe who played a fine defensive ball game. He made all the tackles that came around his end, and sometimes he would get a few over center. Others "looking up" for the P.J.C. team were Rowe, Wood, Powell, and Jones.

— WITH THANKS —

In closing I would like to say, if this, your 1949 BAGPIPE, has pleased you, you may with me, express your thanks and appreciation to:

The loyal members of my staff, who have worked together splendidly, and of whom I am proud—to Bob, my assistant, and Gibson, Assistant Business Manager, without whose help the 1949 BAGPIPE would not have been possible.

To the late Mr. J. W. Hollowell, for his personal interest in making this book more than a standard. To Mr. Bill Mitchell, for his efficient assistance in producing the BAGPIPE of 1949.

Mr. Bill Bullis, whose patience and personal interest, along with a lot of hard work, has helped to make this year's BAGPIPE more than a standard—and his wife for her aid in developing and printing;

Mr. H. J. Preseren, for his courteous and efficient assistance in producing the 1949 BAGPIPE;

To all the members of the Faculty, for their help and their interest and their understanding;

To the many merchants of Maxton, and other cities, who have supported this book by their contributions;

To the following, whose personal interest and aid, along with a lot of hard work, has helped make this edition possible: Dr. and Mrs. J. H. Thornwell, Ann MacKinnon, Mary MacKinnon, Mary McLean, Catherine Speros, Magenta Stone, and Maynard Royster;

And to all others, who with their desire for only the best, have continually worked with us and inspired us toward our best possible.

CHARLES O. BRISTOW, JR.
